Arrow Calacatta

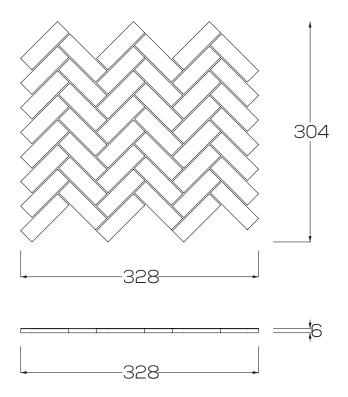

The Arrow Calacatta from the Marble series by Brezza Design Italy, stands out for its pieces with random patterns of white backgrounds with very clear and quite defined gray veins. Calacatta marble, quarried in Italian quarries, is considered one of the most luxurious, elegant and beautiful in terms of marble. It brings a classic touch to the design, and enhances its spaces.

Shape and texture

The Arrow Calacatta of the Marble series from Brezza Design Italy, presents a pattern of interlocking herringbone, pieces in which generates a more dynamic and attractive touch in the spaces in which these meshes have been installed. This mosaic has a porcelain base covered by a high definition print, with an undefined pattern that resembles the semi-polished texture of Calacatta marble. Its texture is uniform. smooth and matte, with random patterns.
